

Municipal Heritage Award

Council Presentation – February 22nd, 2016

[AS PREPARED FOR DELIVERY]

The Municipal Heritage Committee Heritage Award is presented annually by the Corporation of the City of Sault Ste. Marie to recognize property owners who have worked hard to preserve, restore, and enhance the city's heritage resources.

On behalf of City Council and the Municipal Heritage Committee, I would like to congratulate Ms. Cindy Parniak the recipient of the 2015 Municipal Heritage Committee Heritage Award.

Ms. Parniak's property is located at 1164 Queen Street and is a beautiful one and a half storey Prairie-style residence. The home was built in 1916 for Grocer William. H. Ewing. Ms. Parniak has spent countless hours working on restoring the property and the grounds.

The home's interior retains much of its original woodworking, while the landscaping includes well-kept flowerbeds and distinctive Italian marble statues. Two marble lions grace the side entrance to the house.

Congratulations again to Ms. Parniak, a most deserving recipient of the 2015 Municipal Heritage Committee Heritage Award. I'd now like to call on Lloyd Beilhartz, Chair of the Municipal Heritage Committee, to help present the award.
